

Welcome to all the Teams & Visitors to the 2016 PCSL Shelia Anderson Memorial Challenge Cup!

We are honored to have Vancouver Thunderbirds hosting the 2016 Challenge Cup Tournament & thank their organization & volunteers for coordinating this event with the Pacific Coast League. The Challenge Cup seems to bring out the best soccer each year as the teams play off with a straight knock-out format, with the top four teams from scheduled league play competing. The Tournament is played under FIFA Rules. In the event of games being tied at the end of regular play, extra time will be played, followed by a shout-out, if necessary, to decide a winner.

A long established league the original Pacific Coast Soccer League was formed on July 25th 1908 with Con Jones as president & Will Ellis as secretary. Many changes have taken place over the years. We are pleased to have been able to overcome the many challenges to continue the long history of the PCSL.

For more information on the league and a more detailed History please visit the website www.pcsl.org

We wish all those involved in the Challenge Cup, good soccer, and a great sports weekend at UBC.
